December 9, 2020

To Current and Future Chamber Members:

It's been a challenging and unpredictable year for the Mark Twain Lake and its surrounding communities. This year, the Chamber of Commerce promoted lake area businesses at outdoor sports shows, partnered with the U.S. Army Corps of Engineers to hold Motorcycle Safety courses at Clarence Cannon Dam and worked side by side at the Annual Mark Twain Lake Classic Bass Tournament with The Hitching Post and 154 Marine. Unfortunately, the Chamber did have to cancel the Annual Firework Display and Halloween Walk to ensure the safety of volunteers and visitors at these 2020 events. The Chamber looks forward to continuing the above events in 2021.

Enclosed you will find the membership form for 2021. The cost for membership for individuals will be \$35.00 and a business will be \$100.00 (no change). The Mark Twain Lake Chamber of Commerce works to promote tourism, as well as community and economic development around the lake. We accomplish these tasks in a variety of ways, largely supported by your membership dues. As a member you will be listed on our website with an active link. Also, should you like to provide brochures or information regarding your business to the Chamber office, it will be disseminated to tourists interested in visiting the lake area as part of the visitors' packet. Please help us promote Mark Twain Lake and all our region has to offer!

The Chamber has a Facebook page (Mark Twain Lake Chamber of Commerce) where we often post information about events and news around the lake. If you have something you would like for us to share, please call the office or drop us an e-mail (mtlchamber@gmail.com).

We are always in need of people to support our cause which is promoting the lake area! Volunteers are what make an organization like ours thrive and grow. We hope you will be part of our TEAM and volunteer your time.

Wishing you all the best in 2021 and thank you for supporting the Chamber!

Please contact Ashley Long with any questions- (573) 682-0444 or at longcog@rallstech.com
